Vacation Bible School

Take a splash and soak up the fun at “High Seas Expedition” the week of June 28! This year’s VBS is filled with exciting learning experiences kids see, hear, touch and even taste through Swashbuckling Bible adventures, crafts, games and incredible music. Also, we will help kids discover how to see evidence of God in everyday life.... something we call “God Sightings”! The kids will also participate in a hands-on-mission project called “Backpack Buddies” that will let the kids at Dodgertown Elementary School begin their school year with the food and clothes they need. Register on Sundays at the “Get Connected Booth” on the patio or contact Anne Adams.

VBS Volunteer Meeting

There will be a gathering of volunteers and leaders of VBS on Sunday, June 13, immediately following the Worship Service, in McAfee Hall. This will be a short “Meet & Greet” meeting for everyone to get a general overview of their assigned areas. We are still in need of volunteers for all areas. If you are interested in helping out please, contact Anne Adams.

Summer Camp Registration

On Sunday, June 6, at “The Get Connected Booth”, we will be accepting registration for our three specialty camps for elementary school age children. Although the camps are for children in 2 thru 6 Grade, the Music Camp will be available to children K thru Middle School. Please see Anne Adams for registration and volunteering opportunities.

July 26 – 30 Music Camp, led by Dr. Tom Goetz and his team: Anne Adams, Jerry Garrett, Janine Jones, Robyn Thompson and Judy Wetzig. In this full day camp, the kids will learn and rehearse music for a performance of “A Technicolor Promise”, on Sunday, August 1, in the Sanctuary for their family and friends. There will be lots of fun mixed into the day with crafts, games and a field trip to The Fountains. The camp runs Monday thru Friday, 9:00am to 4:00pm in McAfee Hall. The \$75 cost includes T-shirt, lunch, snacks and field trip.

August 2 – 6 Kids & The News, led by Ann Taylor, is a creative writing camp where the kids will learn how to write and report the events they cover. Our young reporters will learn the art of writing, using the 5W's, interviewing and asking the right questions to “get the story” and organizational tips on how to put the story together so the reader is kept interested. A field trip to Scripps is planned so the kids can experience how a newspaper gets from the reporter to the printed page. You will be able to see their work in a special publication that they will layout and print on Sunday, August 15. Cost: \$40. ■
