A Fresh Start

At the beginning of June, FPCVB hosted the “Families with Children at Home” with a Low Country Boil at the Womack’s. It was a great time to celebrate with our young families this side of COVID. The COVID we are now experiencing is like a summer thunderstorm: almost dissipated, yet still dangerous! So, we gathered to celebrate this time of transition.

We have great families with children in our church. It matters that they participate in our worship and our church’s ministries. It is the intention of FPCVB to grow this area of our ministry! While we know that, based on our community, we will always have a strong majority of older adult members, we need these young families for they bring energy and joy and excitement for all of us. During August, FPCVB will engage in an intentional “invitation” event extending multiple weeks, beginning on August 8th.

August 8th is our 2021 Rally Day Celebration. We celebrate heading back to school and beginning new routines as students and parents. As we appear to be on the “other side of COVID,” our theme this Rally Day and during the weeks to follow is “A Fresh Start!” We are in a unique season of new opportunity and new potential! Our spiritual, faith and moral lives have all been under assault and now is a perfect time to strengthen these areas of our living. There seems to be a renewed interest and hunger for fellowship and community, and faithful and sincere, kind conversation. We want to offer support and encouragement for this fellowship and faith development.

The “Fresh Start” theme will be intentionally focused upon during the three weeks following Rally Day. Each Sunday, our worship will be intentionally focused on the needs and participation of our young families. There will be special events for our children and youth. There will be parent and adult fellowship and studies. The music selected and the accompanying instrumentation will be spectacular!

...continued from previous page

The goal of this three-week focus is to celebrate our young family ministry and to provide everyone a reason to invite other young families to join with us during this focused time and beyond. We believe that our Christian theology of love, faith, understanding, and knowledge is needed in the lives of families more than ever. We are also asking you to invite your neighbors, friends, and families to this special emphasis being August 8th! We will be aggressively advertising this event series and we are excited to welcome our guests who will become friends and fellow disciples.

So please remember . . .

- 1) Join us for this special themed event series,
- 2) invite others to join us for this special time, and
- 3) pray for the success of this endeavor!

Our hope is to reach more young families to share the power of our ministry and to be faithful to our mission statement of "Building Faith, Changing Lives, and Sharing Christ!"

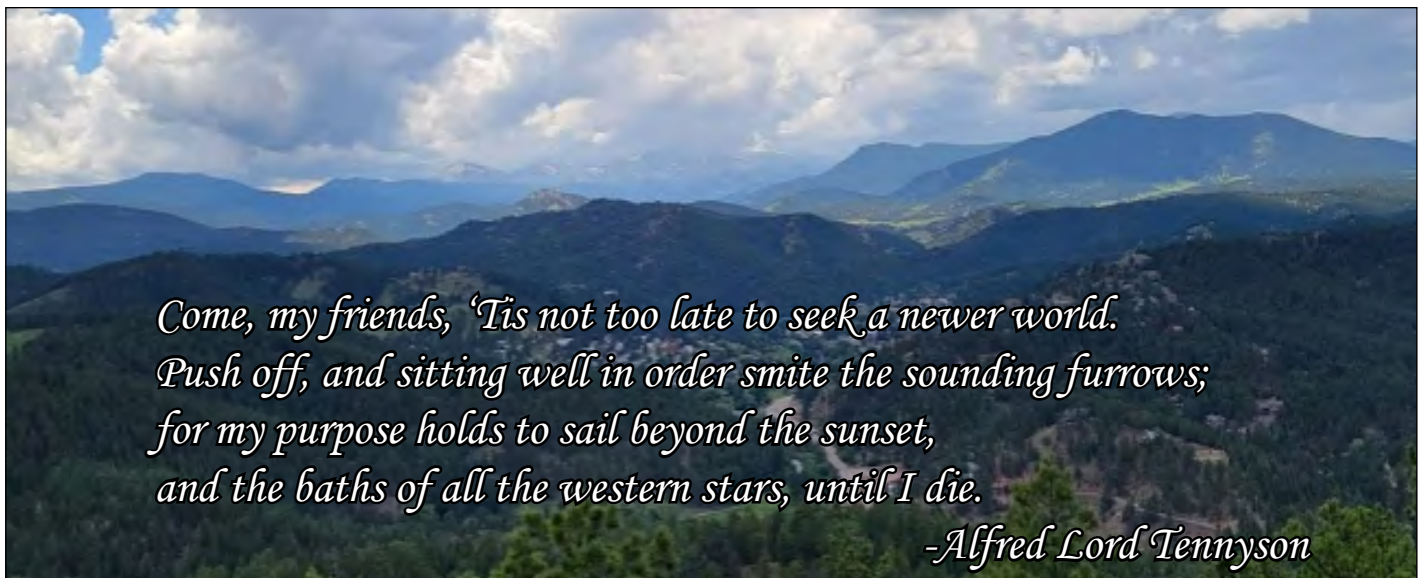

Thank you for your help, participation, and prayers! May God bless.

Sincerely,

Tim Womack

P.S. Keep an eye open for our Music Evangelism Emphasis this Fall 2021, and our "Older Adult Evangelism Emphasis" in January 2022!

The Youth Orchestra is ready for their Colorado Tour!

The Aspen Invitational trip has made a slight change of plans in the last few weeks. Our trip organizers have pulled out all of the stops to make sure our Orchestra students receive an incredible educational, musical, and spiritual experience in the Rocky Mountains.

We are delighted to announce that not only will our students attend the Aspen Music Festival as participants, they are also effectively on a Colorado performance tour! Through the graciousness of two wonderful churches in Colorado, our students will be given fantastic performance opportunities that will benefit the music programs at each church.

Christ Episcopal Church will be hosting our students in Aspen for their masterclasses, private lessons and clinics. Some of them have been invited to perform special music, preludes, offertories, and postludes for Sunday Services in between intensive lessons and masterclasses. On Monday, August 2nd, the First Presbyterian Youth String Orchestra will give a free concert to the community at 7pm in the church's beautiful sanctuary, boasting this stained glass cross sunburst window and pipe organ.

Following the group's intensive performance work in Aspen, our group of young musicians heads east-bound through Glenwood Canyon toward the ski town of Breckenridge for a soul-inspiring 8-mile out-and-back hike to Mohawk Lakes, about 12,000 feet above sea level. The hike provides for gorgeous views of the Continental Divide, amazing waterfalls, beautiful lakes, and fields of wildflowers.

The next day our students will travel to Denver- but not without a stop for an exciting Whitewater Rafting trip down the Clear Creek in Idaho Springs and some Colorado BBQ for lunch. That evening they'll explore downtown Denver and take in the sights of the mile high city while finding something fun for dinner on their own.

The final full day of the tour will include experiencing a spectacular sunrise at Red Rocks Park and Amphitheatre, a delicious breakfast (donated by a friend of the Music & Arts Department), and a 6 mile hike through the foothills of the Rockies. Lunch will be on their own while exploring historical downtown Littleton, followed by a quick dress rehearsal before their final tour concert at 7pm, hosted by Grace Presbyterian Church in Littleton. This beautiful church's location will provide a breathtaking sunset over the Front Range of the Rockies while our students give their finale concert. It should prove to be extra special as we plan to include a special announcement regarding the location of their next big international adventure in 2023! There also **might** be another performing group in attendance. "Mum's the word", though, and our students will just have to wait and see what kind of magic is waiting for them.

Everyone is ready to go and looking forward to an amazing trip! We hope to share lots of pictures and stories upon our return. Jacob and the Youth Orchestra would like to especially thank all those who have supported them through donations toward this wonderful educational experience.

Our Knights have found their armor!

Another fantastic VBS week is in the books, and this year couldn't have been any better! After missing out on VBS last year due to the lockdown, our kids were ready and raring to go for a week of fun, friends, and fellowship.

Knights of North Castle: Quest for the King's Armor, invited children to be strong in the Lord and in the strength of God's power by exploring how we put on the armor of God. Our children took on the role of brave Knights and began their quest each session by opening the King's Book. They explored Old and New Testament stories and discovered different pieces of protective armor—the Belt of Truth, the Breastplate of Justice, the Shoes of Peace, the Shield of Faith, and the Helmet of Salvation—at work in the lives of familiar Bible characters, and found out how that armor works in their own lives as they follow and serve God.

Dr. Fred Foy provided some great photos from highlights of the week- including a fun storytime and a crazy science class with...

Update from our Madagascar Missionaries

Dear Friends,

Greetings from Orlando! Hopefully, we will be able to get back to Madagascar by the end of the summer. PC(USA) still has a travel ban for personnel until the end of June, and Madagascar is not allowing anyone in due to a recent surge in COVID cases. We have enjoyed being close to family. Our daughter Frances graduated in May from Rollins College as a teacher. Our son Robert completes a Masters' degree in Counseling and Art Therapy from Adler University this summer. Madagascar is still greatly affected by COVID. In early March, a 2nd surge of cases filled hospitals, and led to renewed restrictions on travel and gatherings to try to contain the spread of the disease. On May 8, Madagascar received a first lot of 250 000 doses of Astra Zenica COVID vaccine. The expiration date for these vaccines is June 18th so there are ongoing efforts in Madagascar to encourage people to get vaccinated. With Madagascar now in the midst of winter and with vaccination rates very low, further spread of COVID-19 is likely.

Farmers learning to graft mango trees

We continue to communicate several times a week with our colleagues. In February and March when COVID restrictions were relaxed, the Fruits, Vegetables, and Environmental Education (FVEE) program was able to hold several trainings. At the most recent training, 50 people from the town of Tsarahonenana learned how to grow and graft fruit trees. All told, in the past few years, the FVEE has trained over 150 farmers. Recently, nursery operations began at the new mango nursery at the Mandritsara FJKM seminary. In February, the FJKM AIDS Committee participated in FJKM's 2nd annual Val-

entine's Day week-long conference that uses presentations, skits, and prizes to promote healthy relationships for singles and married couples. Youth and adults attended, all wearing facemasks and being socially distant. The AIDS Committee trainings for seminary students were on hold during the COVID-19 spike but are scheduled to resume June 18th. The Health Program is working on keeping the FJKM dispensaries supplied with needed protective materials and COVID medicines as they continue to care for patients.

For more information, please see our newsletters and updates at the PC(USA) website. Thank you so much for all that you are doing to support us and our ministry with the FJKM. Please continue to remember Madagascar and the FJKM church in your prayers as they go through this COVID crisis. Your prayers and support are God's love in action.

Peace in Christ,

The school needs all sizes: Small sizes (6-7), medium sizes (8-10), large (10-12, 14-16) and XL (16-18) are accepted!

Shirts must be a *collared polo shirt* of any color (no logos). Students may wear pants, shorts, jumpers, skirts, skorts, or capris. Bottoms must be **Navy, Khaki, or Black** only (no jeans or "cargo" pockets). Shorts/jumpers/skirts/skorts must be mid-thigh to knee length or longer.

School begins on August 10th, 2021.

The school colors are Red, White, and Blue.

You can help by either buying uniform items from Walmart or Target, or by making a donation to First Presbyterian with "school uniforms" in the memo. You may bring uniforms to church on any Sunday and there will be a basket in the back of the sanctuary to receive your donation. During the week, uniforms may be brought to the church office.

Profile of a Christian Woman: Carolyn Toohey

by Elaine Heeren

Many a lasting friendship got its start in the FPC choir. For this month's profiled lady, joining the choir back in 1990 led to a relationship even more profound: a marriage of soulmates between Carolyn and soloist John Toohey.

Their romance quickly blossomed. Sharing a love for music, they tried out for the Theatre Guild's staging of "Oklahoma." During a long weekend off from rehearsals (John in a major role, Carolyn in the ensemble), the pair flew to Las Vegas to be wed. On the wall behind the justice of the peace, a photo caught Carolyn's eye. When queried about it, he said it was "a place you've never heard of." You guessed it. The photo was of Vero Beach!

Carolyn, in fact, knows Vero Beach better than most. Born and raised here, she's watched Vero grow from "a little sleepy town" to "a cultural hub" affording "every opportunity." Carolyn's parents had moved here from Ohio when her entomologist dad was transferred to Vero to study the impact of insects on cotton and other crops. The 5th of 6 children, Carolyn enjoyed a lively family life and regularly attended Community Church.

After graduating from Vero Beach High School, Carolyn went on to earn a Bachelor of Science in criminology from Florida State University. "I was going to save all the juvenile delinquents of the world," she quipped. Her career path changed when Nova Southeastern University offered another way to "make a difference" via a Master's program in speech-language pathology offered in Fort Pierce. For the next 22 years, Carolyn worked in the local school system, helping children overcome speech and language difficulties. In later years, in private practice, she dealt with medical issues, with clients ranging from autistic children to adults suffering from strokes, cognitive deficits, cancer, and end-of-life issues. Carolyn considers herself "very blessed" to have worked in a field that "fills your heart."

Early on, Carolyn married, and while the marriage didn't last, she feels fortunate in her three sons and 5 grandkids who are "the joy of my life." With both she and John are retired now (Carolyn in 2018, John at end of 2020), the Tooheys continue to raise their voices to the Lord on Sundays and look forward to new adventures. Carolyn also sings with a trio that calls itself the "Almost Andrew Sisters" or "The Trio." The group has entertained at assisted living facilities, Polo Club games, and other venues, as well as at First Presbyterian. Carolyn has high praise for the music program under Jacob Craig and says she "learns a lot" from Dr. Tim and his guiding messages.

Carolyn cites the affirming 23rd Psalm ("The Lord is my Shepherd; I shall not want . . .") as her spiritual touchstone. And we applaud this upbeat, musical lady for her many years serving as a good shepherd here on earth, improving quality of life for countless children and adults. Thank you, Carolyn!
