## Seeking God's Kingdom and Righteousness First!

25 "Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? 26 Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they are? 27 Can any one of you, by worrying, add a single hour to your life?

28 "And why do you worry about clothes? See how the flowers of the field grow. They do not labor or spin. 29 Yet I tell you that not even Solomon in all his splendor was dressed like one of these. 30 If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you—you of little faith? 31 So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' 32 For the pagans run after all these things, and your heavenly Father knows that you need them. 33 But seek first his kingdom and his righteousness, and all these things will be given to you as well. 34 Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.

If we honor the words of Jesus by seeking *first* his kingdom and his righteousness, then no matter what befalls us, we have little for which to worry. In Matthew's gospel, we are reminded that we are burdened with so much worry. We are in a season of corporate life when we are worried about our health (Covid-19), we are worried about politics, justice, the economy, the election, and we are worried about our favorite institutions surviving (be they our favorite Cantina, Company, or Church). In Matthew, Jesus reminds us that worry can paralyze us through fear and anxiety. Jesus uses the anxiety of our food and dress and our drink. He reminds us that God will provide. We are told not to worry about tomorrow! We are told to allow each day, and its issues, to be sufficient for the day.

If we free ourselves from worry, fear and anxiety (all which have a tight grip on us these days) and we focus on God's kingdom and God's righteousness, we will endure. So as a church, if our members and friends focus each day on the Kingdom of God and God's righteousness, should the church worry? Certainly not!

When we focus on the Kingdom of God and God's righteousness, we are less consumed by our own needs and desires and we are more giving toward others. When we focus on the Kingdom of God and God's righteousness...

*continued on next page...*

...we give our *time* to serve the needs of others, and we realize what we can accomplish when our time is God's time;

...we give our *talents* to do the right things, and then we are truly surprised how God multiplies those talents;

...and we give our *treasures*. We realize the good in which we have invested and how much our investment matters to the worship around us.

When we worry less about life, and work in "right" ways with God, we will be fine - even in the midst of pandemic.

When we worry less about what tomorrow brings, we can thrive being "mindful" of today.

When we engage in "kingdom living," all will be given to you.

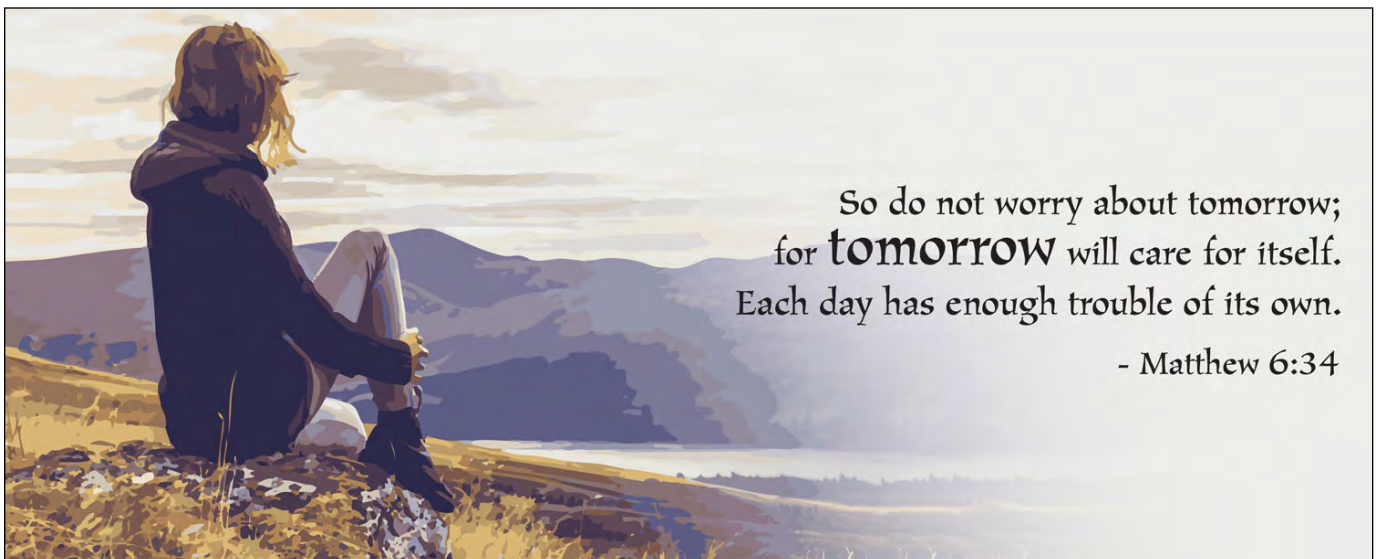

When we seek God's kingdom and righteousness first, all these things will be given to you. Thus, this stewardship season, I am not asking for money; I am asking for you to seek God's Kingdom and God's Righteousness! Then, everything else will be given as well.

In a season of worry, anxiety and fear, let's put ***First*** things ***First!***

Sincerely,

*Tim Womack*

Senior Pastor

So do not worry about tomorrow;  
for **tomorrow** will care for itself.  
Each day has enough trouble of its own.

- Matthew 6:34

# Worship, Music, & Arts

Primo School of the Performing Arts presents:

## Teacher Spotlight: Mrs. Terri Ellis

Mrs. Ellis is grateful for thirty-five years of music education and performance experience. She finds it very gratifying to have equipped students who have succeeded as performers and teachers themselves. Her teaching skills have been gathered from maintaining a personal studio, seven years voice and piano at The Academy for the Performing Arts, ten years private voice and voice classes at Atlanta Christian College where she also regularly performed and six years voice at Indian River Community College which also offered performance opportunities.

Terri received her Bachelor of Science in Music Education from Bryan College in Dayton, Tennessee and majored in Vocal Performance at Louisiana State University, Baton Rouge, Louisiana where she pursued graduate studies studying with Paul Knowles.

Mrs. Ellis, while living near Atlanta, Ga., has been an instructor at the Christian Music Seminar and an adjudicator for the Babbie Mason Christian Singing competition. She also has enjoyed singing as soloist and member of Community Choirs in Mississippi, Georgia and Florida and for civic organizations and various churches. As a soprano, Terri has performed leading and supporting roles in operas, operettas, oratorios, and musicals. She enjoys teaching various styles of music from classical to belt singing technique, which she studied under Robert Edwin. She currently enjoys singing in the choir and praise team at King's Baptist Church where she also directs the Children's Choir.

Terri has been honored to record in 2010 a CD Lilibet Sings comprised of 12 songs for children written by a local composer and poet. She has also contributed to The Sounds of War and Peace CD which resulted from a combined recital in 2013 with Kelley Coppage, pianist, and Ashby Goldstein, Trumpet.

## Join us for a "Thank You" Concert

**Sunday, November 22nd**

Outside of the Center for Christian Life

We are delighted to present an outdoor concert to thank our community for their support during this crazy year of uncertainty. We are planning a wonderful program full of energy and excitement!

Bring some take-out for dinner on a picnic blanket or some lawn chairs for an event reminiscent of an old *concert in the park*, or just hang out in your car *drive-in movie style* to enjoy an evening of wonderful music! Admission is free. A suggested donation of \$10 will be accepted in a central location (TBD).

## Youth Ministry Happenings

We are finally getting settled into our new routines after the massive upset we have all felt with Covid-19 and the problems that brought us. The youth program, although through recent social distancing, has been continuing to grow! This has allowed us to break off into specific small groups throughout the week and then come back together Sunday nights for a recap of our bible studies and have worship together. We are now offering a Monday night bible study for our High School girls, a Tuesday night Bible Study for all of our guys and a Wednesday night Bible study for our Middle School girls. We just finished a month long series about what it means to be an INFLUENCER for Christ in our daily lives. Whether it's Instagram, YouTube, TV, or movies, we are constantly surrounded by "influencers." But in reality, we are all influencers because we all influence others in some way, whether we mean to or not. Since we're already influencers, the question that we asked was, "What kind of influencers will we be?" We talked on humility, choosing our life actions to chase good (NOT evil), how to live small (be an influence for those closest in your life) and how to tell God's story (not just our own).

A huge shout out to the families that have safely opened up their homes to accommodate us! This variance in times throughout the week has also allowed accommodation for more kids to be able to attend at least one gathering each week despite the crazy schedules our youth have. Pray for us as we Dive into our next series on identity where we are answering "Who am I? Who loves me? Why am I here? and how we get to see how in Jesus, we are loved, forgiven, have purpose, and belong. Thanks for all your continued prayer and support for our youth in the life of First Presbyterian Church here in Vero Beach! I appreciate everything that can aid in showing our youth how much God loves them.

Sincerely,

*Jacob Strang*  
Youth Director

## GAME OF THE MONTH

### *Taco Cat Goat Cheese Pizza*

It is filled to the brim with hand-slapping mayhem! As in Snap and Dobble, each player places a card from their hand face up into a community pile while saying taco/cat/goat/cheese/pizza in player sequence. When the card matches the mantra — boom! — everyone slaps their hand on the deck, with the last one to slap picking up the cards. Whoever rids themselves of cards first wins!

## Vespers have begun!

Join us on Sundays at 5:30pm in the courtyard outside of the Mighell Chapel for fellowship in preparation for the week ahead with scriptures, songs, and prayers.

*\*Note: Vespers will not be held on Sunday November 22nd. Instead, join us at 5:00pm for the "Thank You" Concert outside of McAfee hall that evening!*

## Quest Kids Club 2020

We have been back to Quest Kids Club on Wednesday for a couple of weeks now! As expected, it looks a little different this year. The group is much smaller, but we are still having just as much fun as always!

Quest is made up of two groups of children. The first group is in grades K-2, and the other in grades 3-5. Both groups wear masks, social distance, and frequently sanitize hands. The children are spending more time outside exploring the beautiful church grounds. Quest Bible lessons and videos are shared outside under the portico. Deb Peirce and Ann Faunce have graciously volunteered to teach the Bible Lessons. Janine Jones brings her talents and varied techniques of teaching music to the children spread throughout McAfee Hall. We're having a blast! Many thanks to the families who are participating in this great program and to all of our amazing volunteers. Quest will continue until the beginning of May.

Sincerely,

# Mission

The Samaritan Center is an inter-faith, transitional, temporary shelter for homeless families in Indian River County. Families experiencing 'homelessness' are most often plagued by a variety of financial, emotional, social, interpersonal, medical, legal and parenting problems. In addition to giving a family temporary housing, the Samaritan Center provides intensive case management to address the factors that have caused the 'homeless' problem.

Programs offered families staying at the Samaritan Center include emotional support, parental training, medical referral, mental health counseling, life skills workshops, finance management, domestic skills training and ultimately- hope for the future of both the adults and children who make Samaritan Center their temporary "home".

In this program, 75% of all resident income within each family system is applied directly to a savings account in preparation for a housing solution upon that family's graduation from the Samaritan Center.

Twenty-four hour staff supervision is required to successfully provide and ensure the structure, discipline, guidance and safety required by the diverse family systems represented in our residence. Volunteers help fill in the gaps to support a smooth and consistent program operation.

## Soup Bowl 2020

What we have asked of our locations this year is to have a "reverse soup bowl". Bring a can of soup and a \$5 donation to the 1st Presbyterian church office and the donated soup will go to the local food bank.

Although we will not have a traditional Soup Bowl this year, the good news is that we have partnered with Indian River Clay and the Heritage Center and will have a one-day pottery buying event that will happen on Soup Bowl Day, Thursday, November 5, from 9am-7pm at the Heritage Center... It is a great opportunity to see 1000 of the most beautiful bowls in one location.

Next year, we are hoping everything will be back to our old normal.

## **Thanksgiving Food Drive:** *A little different this year...*

Dear Friends and Families,

This Thanksgiving, we want to provide for our neighbors in need while being sensitive to safety concerns. We are asking that donations be in the form a gift card from Publix (a suggested donation of \$25, which will feed a family of four). Checks will also be accepted, please write them out to First Presbyterian Church (be sure to write in the memo line: Thanksgiving Food Mission).

Gift cards and/or checks can be mailed to the church or placed inside the secure dropbox (located on the wall outside of the church office door). They must be received no later than November 16th. In order to keep staff safe, we ask that you do not enter the office to drop off donations at this time.

Donations will be shared with the Senior Resource Association, Dodgertown Elementary School and the Gifford Youth Achievement Center.

We are thankful because God is good and loving.

We are thankful because we are called to be part of God's kingdom.

We are thankful to God for His indescribable gifts.

We are thankful for all of you who help to carry the burdens of our neighbors.

God bless,

*Your Mission Team*

## Profile of a Presbyterian Woman: Emily Zeigler

*by Joan Irvine*

This lovely young Presbyterian Woman is a welcome addition to our FPC family --Emily Ann Zeigler. Since becoming a member, you may have seen her at Sunday morning worship, ushering or tending to the sanctuary flowers as a Deacon. Emily brings a vitality and caring stewardship to our church, setting an example for all. Born in Cashiers, NC, she is the only child in her devout and devoted close-knit family. Emily and her parents attended the Methodist Church there where she was baptized. When she was eight years old, the family moved to Nashville, TN and there, she finished her schooling with graduation from a private Christian High school. During her high school years, Emily participated in Teen Court, a prestigious program where students are carefully selected and trained on the roles of the courtroom (defense attorneys, prosecuting attorneys, bailiff and jurors). They are sworn in and serve, once a month in a peer court that handles cases from juvenile first-time offenders.

While in high school, Emily also volunteered in a community service program, making weekly visits to the local nursing home. This is experience of helping staff with activities for residents, such as painting ladies' fingernails, reading to them and chatting with them, made a lasting impression.

Emily attended her Freshman year at Bowling Green University, Ohio. then travels took her back to Nashville, on to Dallas and finally to Vero Beach where her parents had retired. When she landed in Vero Beach in 2012, she found employment working at the Johns Island Club. Emily also began searching for a church. Her parents were life-long Methodists, but Emily began visiting other churches. When she came to First Presbyterian she was struck by the feeling of familiarity and warmth within the congregation. She reminisces, "The hymns and sermon by Pastor Tim and later by Pastor Michael were a blessing to me and, being there was so special that, in the serenity of the sanctuary, I often lost track of time. It just felt like home!" She began attending Sunday morning worship regularly and realized this was to be her church family. Sponsored by Patti Burns, she joined in November, 2014.

Emily became a Deacon and was mentored by Trell Adams and later by the late Peter Peck. She speaks fondly of both these former Deacons. While serving as a Deacon, she had the responsibility of distributing the Sunday morning Worship floral arrangements to shut-ins and nursing homes. Her training from her high school service gave her the experience and confidence to develop relationships there. Pastor Michael explained, "Emily took the care to separate the flowers into bouquets for the nursing home residents. She has a calling to serve and made this task something really special for them". She continued to visit the residents even after her Deaconate task was completed!

Now attending Indian River State College studying to be a Dental Hygienist, she is close to achieving this goal. This busy young woman is working parttime and attending classes, but finds time for Sunday morning worship, either in person or online, and spending quality time with her family.

Emily shares this as one of her many favorite Bible verses: Psalms 91:4 "He will cover you with his feathers. He will shelter you with his wings. His faithful promises are your armor and protection".
