Whether you've been performing for years or can't read a single note, there's a seat saved for you here. We are a close-knit, zero-cost youth music group where students build skills, make lifelong friends, and connect in an encouraging, positive environment.

What Students Get Out Of It

- Zero Cost, Zero Barrier: Completely free to join, with no musical experience or auditions required.
- Major Trips & Local Outings: From regular group hangouts and Broadway shows in Orlando to full performance tours (past trips include NYC, Los Angeles, Puerto Rico, and the Florida Keys).
- A Cool, Welcoming Community: Come for the music, stay for the group. We care far more about who you are than how well you sing or play.

What Parents Need To Know

- Safe & Professional: Organized, fully vetted leadership dedicated to maintaining a secure, positive, and healthy environment for students.
- Faith-Grounded, Open to All: Based out of First Presbyterian, our program incorporates Christian values centered on kindness, love, and community. Students of all backgrounds and beliefs are welcome.
